Sobranie sochenenii v soroka dvukh tomakh [music] / D. Shostakovich

A proposal was made on the need to move to organizing the work of Russian law enforcement agencies on new principles: preemptive and prevention of hybrid wars instead of merely identifying their consequences and fragmentary application of criminal punishment for actions that are insignificant in comparison to the scale and damage caused by a hybrid war. Katerina Izmailova Lady Macbeth of the Mtsensk District , op.

Polnoe sobranie socheneni M. Iu. Lermontova v dvukh tomakh : Lermontov, Mikhail Iurevich, 1814

One of the biggest and most annoying aspects of the historiography of 1930s diplomacy is the picture of the French as mere lackeys of the British, which is wrong in so many ways. This article, which is proposed to be introduced into the Criminal Code of the Russian Federation, reveals the concept of hybrid war and provides its full definition in a new article. Маяковский ; редакционная коллегия: Бердников Г.
