Structure of Potala Palace

There is no time limit and we rest often.

Potala Palace in Lhasa

There are 35 chapels and dozens of shrines and gold stupa tombs of the Dalai Lamas.

Tibet Potala Palace Transportation, How to Get to Potala Palace Lhasa

The Potala Palace is a great example of in the seventh century.

Potala Palace Lhasa, Tibet

There are also many relics vouchsafed by the Ming and Qing governments preserved at Potala, such as the Imperial Mandate, the Imperial Golden Seal as well as jade seals, golden and silver articles, porcelain and jade articles and the like. With over 1000 rooms in the palace, only more than 20 are open to the tourists.

Potala Palace

The higher it goes, the thinner the walls are. The south side palace is the Chiming Buddha palace, mainly offering silver sitting portrait of Lianhuasheng and his eight incarnation bronze statues.

Potala Palace, Lhasa Tibet

The throne of the Dalai Lama sits on one side of a room adorned with religious paintings. On the top, it is designed to be light and they used sticks from straw to make the wall, which gives the stability and the strength. Potala Palace Highlights As the symbol of Tibet, Potala Palace has many

things worth seeing, the architecture of the entire construction, the splendid well-preserved artworks and various kinds of religious treasures and etc.

Potala Palace in Tibet

Visits to the Potala Palace have to be organized and planned at least a day in advance, and entrance tickets are limited to a certain number each day. Long ago the medium level monk officers were cultivated here. The main buildings of Potala Palace are situated on the Red Hill by the side of Lhasa River.
