### Teen Drug Use Warning Signs and Advice

Usually, providers only use GC-MS tests as follow-ups because they are more expensive, and the results take longer to receive. Drug screening can test for both illegal and prescription drugs. There are ways to answer honestly that keep the emphasis less on you, and more on what you want for your child.

### Prepare to Take Action if You Suspect Teen or Young Adult Drug Use

MrConsumer decided to check his bottles and made a surprising discovery.

### Teen Drug Use Warning Signs and Advice

Regardless of whether or not your teen is using drugs, these signs indicate that something is wrong and that your teen needs your help. At-home testing kits could tell the difference between MDMA and cathinone, but not good at giving an indication of the different chemicals in a drug.

### Get Your Drugs Tested

If people have no means to wash their hands after using the toilet, do you really want to take medications that they have made? Not all drug interactions are bad. Protect Your Patients and Obey the Law Buying drugs from unlicensed sources is risky business. If you approach them with panic, anger, aggression or accusations, you can be sure your child will tell you absolutely nothing.
