Academic Planning

The Definition Phase approval authorizes procurement of professional services and expenditure of temporary funds of up to 5% of the preliminary Total Project Cost for programming, design, engineering and pre-construction phase services. A growth and experience design charrette was held with UBC staff, student representatives, stakeholders, and technical specialists in summer 2014. Description The UBC Okanagan Campus Plan The Campus Plan was approved by the Board of Governors in September 2015.

The Planning Phase

Updated campus plans are submitted each March for review by the Board of Trustees, and approved plans appear on this site. Another example is from Minnesota State, Mankato.

Academic Master Plan

What do we want our students to know, value, and be able to do by the time they graduate with a degree from UNI? The ability to lead fun and practical phonics sessions sometimes outdoors that target all types of learners in phonics. Had no problems with the support team too.

Academic Master Plan

All of that will remain.
