### Shakespeare's Globe Theatre: The History You Need To Know

There may be further remains beneath Anchor Terrace, but the 18th century terrace is listed and therefore cannot be disturbed by archaeologists.

### Shakespeare's Globe Theatre

It currently sits next to the Sam Wanamaker Playhouse, a smaller, candle-lit space built in 2014.

### Globe Theatre: Information on the outside and inside of Shakespeare's Globe Theatre

The ground on the new site was marshy and prone to flooding, but foundations were built by digging trenches, filling them with limestone, constructing brick walls above the stone, and then raising wooden beams on top of that. I would refuse to take part in an activity like that.

### All About The Elizabethan Playhouses of London

Recent attempts have been made to re-create the Globe, and replicas have been built in Tokyo and in London.

### Globe Theatre

We have lots of different designs and models to print. We will send an email, including a confirmation link, to your email address.
