## Celebrating Irving Fisher: The Legacy of a Great Economist.

One has to admire, however, the fact that Fisher, unlike so many of his contemporary colleagues in the quirky discipline of economics, at least put his money where his theory was: he then went completely broke in the market crash. See about how to correct material in RePEc. Today, most of the citations to Fisher's work pertain not to the history of economic thought, but to his theoretical work.

## Celebrating Irving Fisher: The Legacy of a Great Economist on JSTOR

General contact details of provider.. If you know of missing items citing this one, you can help us creating those links by adding the relevant references in the same way as above, for each referring item. Few American economists have the reputation Irving Fisher hashe is probably second only to Henry George as an economist of whom the American public was aware in the early twentieth centuryand no other economist has undergone such dramatic reversals of fortune over time to achieve his reputation.

## Celebrating Irving Fisher: The Legacy of a Great Economist: The Independent Review: The Independent Institute

Unlike Friedman's policy advocacy, however, Fisher's concerns--which ranged from good eating habits and life extension to public health, eugenics, and Franklin Roosevelt's monetary and gold policies--often interfered with his ability to perform his teaching duties.

## Celebrating Irving Fisher: The Legacy of a Great Economist by Unknown [Wiley

He supported such liberal measures as high inheritance taxes and wider dispersal of corporate ownership through profitsharing, employee ownership, and co-operation. It also allows you to accept potential citations to this item that we are uncertain about. The journal is currently undergoing a transition.
