## logo

Since they are often big players in business and politics, gain knowledge in these areas through reading newspapers daily — particularly the New York Times and The Wall Street Journal — in addition to local political and business publications. One might assume that the most educated people making the highest income, should have the greatest level of wealth. In general, the level of education, income, and wealth seem intrinsically intertwined.

## Spending Money Quotes (23 quotes)

Considering they work 60-to-80 hour weeks, one way to meet them is to work with them, near them or for them.

## 20 Productive Habits of Wealthy & Successful People

The best way to protect yourself from yourself is to automate your savings.

### 1. It's More Important to Be Happy Than to Be Rich

But if you have three people in your family, you need to ask yourself if five bedrooms are necessary.
