**Community Information Center.  
Bechem**

A small sample formula for sample size determination was applied to the estimated population of farmers in each district to determine appropriate sample sizes for the study Table. An investor would typically invest stocks or units of investment to maximise returns.

**Brong Ahafo Region**

Agriculture diversification in South Asia: patterns, determinants and policy implications. For example, an interviewee said that it is a waste of time and energy staying back at home. While the cocoa platforms present their interventions as making a significant impact on community development and poverty alleviation, large numbers of farmers in the cocoa value

Okali Book Bib ID 2448795 Format Book , Author Description Legon : Institute of Statistical, Social and Economic Research, University of Ghana, 1975 ix, 111 p. However, these programmes are underpinned by a drive towards greater intensification of production through the use of inputs supported by credit, which threatens to entangle farmers in debt and lock them into the poverty inherent in the cocoa industry. Certainly, the future returns of all investment units are unknown.
