Cycling Cycling is less popular with

Greeks, but in an increasing number of resorts you can hire mountain bikes, and many of the rental places lead organized rides. The journey takes around 2 days from London to Athens, or you could combine it with a bigger trip as part of an InterRail or Eurail pass. Get the lowdown on Greece's world class attractions from the Acropolis to Crete's Minoan Palaces.

The Rough Guide to Greece (Travel Guide) (Rough Guides): Guides, Rough: 9780241306420: mikhmon.us.to: Books

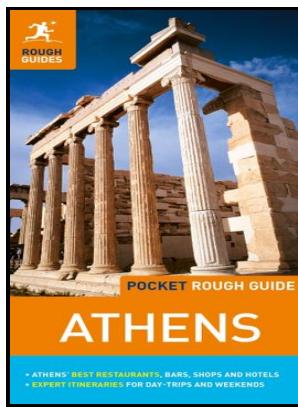

Greece is predominantly made up of the mainland and the majority of the population live there. The next best guide was Lonely Planet, which had the best maps. Reasonable informative although, understandably, not a huge amount on Kos island as the guide covers the whole of Greece.

The Rough Guide to Greece (Rough Guides): Dubin, Marc, Fisher, John: 9781848364509: mikhmon.us.to: Books

On Greek TV they broadcast TV series and films often from around the world with their original dialogue and subtitles. It's a shame that people who might just now be discovering Greece might never find these places if they use the new Rough Guide.

The rough guide to Greece (Book, 2012) [mikhmon.us.to]

Maybe the publishers and writers of RG are resting on their laurels for the time being. I will certainly be hanging on to my old 2002 edition but I'd be very interested to know of any other guidebooks to the mainland that do cover these small, not much visited places as well as the obvious ones. It now seems to cover only the obvious places that most tourists visit, and not the fascinating little out-of-the-way places that independent travellers like us love to explore.

The Rough Guide to Greece (Travel Guide) (Rough Guides): Guides, Rough: 9780241306420: mikhmon.us.to: Books

There are practical tips on a wide range of activities, from bird-watching and windsurfing to hiking and cycling. I expect newcomers to the Rough Guide community would be perfectly happy though. How to get to Greece Flying is the easiest way to get to Greece, with the country boasting no fewer than 15 international airports.

The rough guide to Greece (Book, 2012) [mikhmon.us.to]

The 24-page, full-colour section introduces all of Greece's highlights, from Mount Pilio's lush countryside and Prespa's beautiful lakes to the fish market in Thessaloniki and the famous oracle site in Delphi. Sailing A combination of steady winds, beautiful seascapes and many natural harbours make Greece a tremendous place for sailing.
