Finding Joy in Work

Nonetheless, in Exodus 31:1-11 and 35:31-36:1 Bezalel and his fellow workers were filled with the Spirit in designing a sanctuary for the Ark of the Covenant.

What Does the Bible Say About Choosing A Career?

New York, NY: Oxford University Press.

Books on Spiritual Depth Psychology

These principles have guided our own career planning as well as our career counseling as we seek to help others through the career decision making process. Just as you would use computer magazines, knowledgeable computer users and computer professionals to decide which computer would be best for you to buy, there are resources available to you to assist you in learning how to do good career planning and make good career decisions based on the right information about your design and the world of work.
