A Handbook of Industrial Relations Practice by Brian Towers

Thirty-four stimulating essays, by an international blend of leading academics, expertly review the analytical and empirical state of play across all aspects of industrial relations enquiry. It provides the most comprehensive and challenging presentation of the key theoretical debates and topics of research that will shape our field well into the 21st century.

The Sage Handbook Of Industrial Relations PDF Book

The SAGE Handbook of Industrial Relations charts these changes and analyzes them.

A Handbook of Industrial Relations Practice by Brian Towers

All who wish to contribute to this field will need to read this volume and then build on what these authors have to say' - Professor Thomas A. Academics and postgraduate students researching industrial relations, human resource management, employment relations, industrial sociology and sociology of work will find this important resource invaluable. In doing so, a rich agenda for further scholarly endeavour emerges' - Paul Marginson, University of Warwick Over the last two decades, a number of factors have converged to produce a major rethink about the field of

Industrial Relations.

THE SAGE HANDBOOK OF INDUSTRIAL RELATIONS

It provides managers with advice on all industrial relations matters, and strategies for solving problems they are likely to encounter.
