The Human Animal: A Personal View of the Human Species by Desmond Morris

. He openly scoffs at any other explanations but fails to back up his own - his 'conjecture as truth' policy is more than a little irritating.

The human animal : a personal view of the human species (Book, 1994) [mikhmon.us.to]

He dismisses all art and philosophy as 'adult play', and his views on pregnancy are voiced in such an arrogant, sneering manner I'm surprised Mrs Morris hasn't castrated Everything here is presented as incontrovertible truth, with Dogmatic Des ramming all sorts of ideas down your throat with the word 'perhaps' liberally sprinkled to take away the bad taste. The book describes the female body from an

evolutionary point of view. This stunningly illustrated book provides new understanding of human behavior based on our almost identical genetic heritage.

The Human Animal by Morris, Desmond

However much we may think we have evolved from our animal ancestors, Desmond Morris shows that our instinct and behavior are still rooted in our animal past.

Maybe that's just my 'trace memories' talking.

Morris Desmond. The Human Animal. A Personal View of the Human Species [PDF]

Man is unique, though, in the way in which he has built on these animal patterns, exaggerating and elaborating them to an astounding degree or suppressing them with damaging consequences. It is divided in several chapters, each dedicated to a part of the body, from hair to foot.

The Human Animal (TV series)

Everything here is presented as incontrovertible truth, with Dogmatic Des ramming all sorts of ideas down your throat with the word 'perhaps' liberally sprinkled to take away the bad taste. Thinking, Fast and Slow is a 2011 book by Nobel Memorial Prize in Economics winner Daniel Kahneman which summarizes research that he conducted over decades, often in collaboration with Amos Tversky. Meet man as he really is: relative to the apes, stripped of his veneer as we see him courting, making love, sleeping, socialising, grooming, playing.

9780517700907: The Human Animal: A Personal View of the Human Species

HUMAN ANIMAL: A PERSONAL VIEW OF HUMAN SPECIES By Desmond Morris - Hardcover. Morris sets out to show that, despite our inclination to believe otherwise, human behaviour is full of animal instinct and reaction, and that whatever the species, we all share remarkable similarities. .
