If they can do it, then I want to try doing something incredible as well. Both the manga and anime have Tanjiro arrive to complete his test, in a breathtaking environment of a red gate and glowing Wisteria flowers at the base of Mt. The excursion company is a sham, their guide woefully under-prepared, and the jungle itself an indomitable entity seemingly hell-bent on their destruction.

**Rokka: Braves of the Six Flowers**

It would only react when it came under attack.

**The Demon of the Flower**

They were of roughly equal strength to one another, so it was hard to tell who held the upper hand in the battle. He was rescued by Hua Qiangu when the 10 immortal devices are restored.

**Demon Flower by Christopher Alan Ott**

Anführer ist der lässig kühle Killer Ushitora, ein tödlicher Profi mit unglaublichen Kräften.
