## Matchless Silver Hawk

RE launched two 500 cc models specifically for Europe -- a strategic mistake as they took their eyes off India. They were initially for export only, but by 1965 these models were available in UK and Europe too. This is probably the most misunderstood thing about spark plugs! If in doubt, return it and get it exchanged for another one.

I guess it also depends upon how good your mag is.

## **Matchless is back**

The single bevel-gear overhead camshaft ran across the cylinder head and four bores with special air cooling housed two pairs of cylinders at 26 degrees to each other. The seat unit can be moved up or down from 740 to 800mm to match peg choice to leg position, while the bars are also adjustable for height and angle.
