Thanksgiving: An Investigation of a Pauline Theme (New Studies in Biblical Theology 13) by David W. Pao (9780830826131)

Take a traditional potato clock activity and see if you can use it with pumpkins, sweet potatoes, yams, or other Thanksgiving favorites. David Pao aims to rehabilitate this theme by showing how, for Paul, thanksgiving is grounded in the covenantal traditions of salvation history.

For the Church

This exciting book describes the actual events that took place. Pao received his PhD from Harvard University, and is a professor of New Testament and chair of the New Testament Department at Trinity Evangelical Divinity School. A fun way to explore the senses.

Colossians & Philemon: Zondervan Exegetical Commentary on the New Testament [ZECNT]: Edited By: Clinton E. Arnold By: David W. Pao: 9780310243953

This series is designed for those who know biblical languages. Have the students then think about their own personal feelings about the Thanksgiving celebration. Tracie Peterson is both prolific and much-loved.

Thanksgiving

To fight our fallen inclination toward grumbling, we need to give thanks.
