marine-derived food resources.

### Brown bear

In British Columbia, grizzly bears inhabit approximately 90% of their original territory. One camera is located 100 yards downstream of the falls at the Riffles. The McNeil River State Game Refuge, containing Chenik Lake and a smaller number of grizzly bears, has been closed to grizzly hunting since 1995.

### Grizzly bear

Weighing less than a pound at birth with little hair and closed eyes, they suckle for several months, emerging from the den in May or June, weighing 15-20 pounds.

### Brown Bear

This is a good technique to use when many salmon are jumping at Brooks Falls, but when no salmon are jumping this spot is quickly abandoned.  
Ministry of Environment, British Columbia.

### Kenai River Brown Bears

One sighting of a grizzly bear in 2010 has been recorded. Grizzly bears live further inland and typically do not have access to
