Surah al

But to his knowledge of early and classical Hanbalism, he added not only that of the other schools of jurisprudence but also that of other literature.

Majmu' al

. This is my advice to my brothers.

Majmu' al

It is contrary to other paths where man is always under the threat of perdition. The discussion and dispute, and the matter of accepting or rejecting, should not revolve around any specific person.

Majmoo' al

Although anyone can show his appreciation for others in diverse ways, in reality he is praising the Source and Fountainhead. Ibn Hajar al-Haytamī was born in 909AH in the small village Abū Haytam in western Egypt.

FATWA OF SHEIKH SAALIH AL

You are the One giving effect to the cause as well as the One rendering it futile.

Surah Al

But for the youth to argue and dispute about accepting or rejecting a specific person, this is wrong and it is a grave mistake.

al

God has determined the course of growth and perfection of all creatures after creating them and the divine nurture is the same course as that of divine guidance. Thus, it is enjoined to praise { h amd} God before any supplication or request is made of Him; otherwise, the supplication is defective. What is important for them is that they live in material comfort and ease; anyone who likes may rule.

Majmoo' al

We would like our shaykh to explain this matter to us and clarify it.
