### When to say Maashaa Allaah Tabaarak Allaah

He makes it firm within himself at the same instance that the Dunya and whatever is within it does not remain and there is not any life in it but verily the real life is the life of the hereafter. The Muslims are thus taught a prayer that they may neither fail in good deeds while retaining the letter of the law, nor corrupt the doctrine, and that they may be kept on the middle path, avoiding either extreme.

### When to say Maashaa Allaah Tabaarak Allaah

Kemauan Al-Makmun dalam mengembangkan ilmu pengetahuan tidak mengenal lelah. Answer: All praises are due to Allah, Lord of the worlds and prayer and salutation upon our prophet, Muhammad, his family, his companions and those who follow them in goodness until the Day of Judgement.

### When to say Maashaa Allaah Tabaarak Allaah

If he sees it in other than himself then he should say Barakallahu Alaihi May Allah bless it for him or a statement similar to it. It is in the footsteps of these spiritual leaders of the world that the Muslim aspires to walk, the chief aim of his life thus being not only his own spiritual perfection but to try also for the spiritual perfection of others. This is the questioner, Abu Abdullah, he says in the first question, If a person sees what amazes him, does he say Maashaa Allah Tabaarak Allah As Allah wills, blessed is Allah! Ia ingin menunjukkan kemauan yang tinggi terhadap ilmu pengetahuan dan filsafat tradisi Yunani. Anyhow, his soul, that was thirsty for perfection, did not quench its thirst by what he had received of branches of knowledge in Foman; therefore, he left it after having finished the preparatory stage of religious sciences in it and left for Iraq where he was honored by residing in sacred Karbala in 1348.

### When to say Maashaa Allaah Tabaarak Allaah

Inilah yang menimpa beberapa ulama yang istiqamah seperti Imam Ahmad bin Hanbal, Sajjadat, Al-Qawariri, dan Muhammad Nuh.

### **Maqālāt al-**

One of those occasions is that he talked about the process of lauding the moral status of his mentor, Naeeni the critic. During that period, he studied the largest portion of the books of fiqh and Usul taught to him by the great scholars in that holy city. This is quite regrettable, indeed.

### **Glimpses of the Life of Grand Ayatullah Bahjat**

As regarding teaching the Kharijī research, we can say he started teaching Kharijī al-Fiqh and the Usul for more than forty years, and he used to teach this subject at his house in order to avoid fame.
