### The diction of poetry from Spenser to Bridges. (1955 edition)

The task seems to me most inauspicious and surprisingly similar to the homespun existentialism that Norman Mailer expounded some decades ago and dependent, too, on criteria of style plainly redolent of the more murky backwaters of American pragmatism.

### Analysis Of Alexander Crehan's The Rape Of The Lock

I spake but by a metaphor. More recently, poets like paved the way for a freer rhythm in haiku. But since the ceremonies had not yet taken place, he did not want to call it an epithalamion.

The concept of romantic irony, as introduced by Friedrich Schlegel, is no doubt central to the formation of subsequent modernist claims, and the archetype of the ironist is now, as it was then, Hamlet. Since the moras do not translate well into English, the haiku has been adapted to where syllables are used as moras. The men are envious that Janie takes her abuse so quietly.
