Flat Water: A History of Nebraska and Its Water (RR)

Filesize: 44.310 MB

Our current partner charities in the UK are READ International, the National Literacy Trust, Room to Read. Much of our stock is ex-library due to our close relationships with UK libraries. The book also looks at Native American use of water and includes four women writers and profiles of a woman irrigator and early women irrigation promoters.

Flat Water: A History of Nebraska and Its Water (Resource Report, No 12, March 1993) by Robert D Kuzelka

. We offer a service that helps them keep their unwanted books out of landfill.
