## Healing Anxiety with MAGIC

Anxiety can look a little something like this ... Here are some of the common signs of anxiety in teenagers.

## Ages & Stages: How Children Use Magical Thinking

We only get so much time here on earth, how do you want to spend yours? What emotions make us uncomfortable? The stone will heal your heart when you'll be asleep and hopefully, you'll wake up feeling completely different. And, of course, wishes and dreams help to make us who we are.

## Anxiety at School

These practices have been especially important on my own journey in healing anxiety and I strive to continue to practice them daily.

## Spell to Get Rid of Fear and Anxiety

In healthy families, the development is on track. Cres Hey, I need some help. The organisers were sold out of product however, so we were at a bit of a loss what to do.

## Anxiety and Magic Thinking

The positive thinking that usually comes with optimism is a key part of effective stress management.

## Magical Thinking in Generalized Anxiety Disorder

Mindfulness If you have been following my newsletter you know I love mindfulness practices. That support will look different for everyone. The void in the soul can easily be filled with healing stones for anxiety.
