## Antoni Tàpies

The main leader and founder of Dau al Set was the poet Joan Brossa. This was among the most prevalent styles of art in post-war Europe.

## Antoni Tapies

Its focus on the use of odd objects completely undermines the acts of traditional fine art. Canvas Burned to Matter from c. His abstract and avant-garde works were displayed in many major museums all over the world.

## Antoni Tàpies

Art Informel in Europe was the equivalent to Abstract Expressionism in America. His intent was to create a forum that would promote the study as well as the knowledge of modern and contemporary art.

## Antoni Tàpies

Antoni Tapies Biography Antoni Tapies was a Catalan artist, born in Barcelona in 1923. His work is associated with both and. In 1953 he began working in mixed media; this is considered his most original contribution to art.

## Antoni Tapies

Tàpies started as a surrealist painter, his early works were influenced by Paul Klee and Joan Miró; but soon become an informal artist, working in a style known as pintura matèrica, in which non artistic materials are incorporated into the paintings. They are characterized by his use of marble dust and clay that he mixed with his paints as well as the incorporation of found objects such as string, paper, and cloth.

## Antoni Tapies

Early works of his were surrealistic, but in 1953 he began working in abstract art. Alongside his production of pictures and objects, since 1947 Tàpies has been active in the field of graphic work and essays.

### **Antoni Tàpies**

These paintings and sculptures feature dust, earth, matter and atoms through innovative techniques. Canvas Burned to Matter from c.
