History of Settlement in the Canadian Prairies

Interesting history of how the British helped settle the prairie states. They created dozens of small outposts and a settlement in the , where the became the largest part of the population. The Buffalo Ridge marks the most southerly extent of the last glaciation, and extends 60 miles 96 km through , , , , and Nobles counties.

The English sportsman in the western prairies : Berkeley, Grantley F. (Grantley Fitzhardinge), 1800

Settlers were further discouraged from coming by the of 1857, where a band of Sioux murdered settlers in and along the Des Moines River in and Counties.

History of Settlement in the Canadian Prairies

Well researched, full of interesting stories and first hand accounts. Another factor working against class formation was the of the 1930s. Maybe I had the wrong expectations when I opened the cover.

History of Settlement in the Canadian Prairies

Their influx placed great strains upon prairie institutions during the next few decades. A very enjoyable book on the British adventurers who came west to explore, hunt, cattle ranch, or simply to have a good time.

The English sportsman in the western prairies : Berkeley, Grantley F. (Grantley Fitzhardinge), 1800

Other religious groups — notably a few and Mennonites — preferred to leave the region rather than accept its norms.

History of Settlement in the Canadian Prairies

If nothing else, the book underlines the thoughtless greed and bullheaded stupidity of the British aristocracy and its inability to cope with the egalitarianism of the American West.
