## John Ford

Runaway Train 1985 Director: Andrei Konchalovsky Never mind Unstoppable, this is the be-all-and-end-all of out-of-control, rail-beast movies. Shot on the streets of Coahuila, Mexico without storyboards Rodriguez had no crew to show them to , equipment sound was record with a tape recorder while most of the 'guns' were water pistols and quite often actors many of the smaller roles were simply passers by , El Mariachi is guerilla filmmaking at its most inventive.

## Lone Star (1996 film)

While Murray is well-known for his desert-dry tones, here he brings new depths to his performance.

## The 50 Greatest American Independent Movies

Consider also his legacy on the likes of Wayne Wang and Gregg Araki. Lucas' visions may have become bigger and more colourful as he developed his career, but nothing since has mixed intellectual debate and action so effectively.

## Matewan (1987)

Descriptions of choices for the 50 Greatest Independent Films are excerpted below from the Empire Magazine website. The two are estranged because of Otis's serial womanizing and abandonment of Delmore's mother when Delmore was a child. Best left to the imagination.

## John Sayles

Debate still rages about whether the plot - about a woman with three different boyfriends to provide different emotional and sexual needs - is a marvel of feminist filmmaking or misogyny of the worst sort, but either way the film's humour and lively characters brought Spike Lee to the attention of audiences and paved the way for his particular outlook on life. Postwar career The postwar Ford took care of some debts and omissions.

## Lone Star (1996 film)

And as for that oft-speculated upon final whispered moment?.
