### Visit Leiden

The mound probably was a refuge against high water before a small wooden fortress was built on top of it in the 11th century. Women with factor V Leiden thrombophilia most often have normal pregnancies. What websites do you recommend? They may be able to refer you to someone they know through conferences or research efforts.

### Factor V Leiden

We also encourage you to explore the rest of this page to find resources that can help you find specialists.

### Leiden

Drink extra water to prevent dehydration, and avoid alcohol.

### Visit Leiden

While the city had lost about a third of its 15,000 citizens during the siege of 1574, it quickly recovered to 45,000 inhabitants in 1622, and may have come near to 70,000 circa 1670. Leiden also houses the headquarters of, a global pan-European aerospace and defence corporation and a leading defence and military contractor worldwide.
