A pivotal book in Isherwood's career that reveals as much about him as the parents he set out to portray Kathleen and Frank is the story of Christopher Isherwood's parents—their meeting in 1895, marriage in 1903 after his father had returned from the Boer War, and his father's death in an assault on Ypres in 1915, which left his mother a widow until her own death in 1960. Both Spielberg and Kennedy agree she was a terrible typist who was kept on only because of her good production ideas.

Kathleen T. Herron Obituary

Having spent 510 pages of time in his parents' company, I can't help but think that these people were the perfect mother and father for Christopher and, having devoted 510 pages to chronicling their every thought, I suspect he ultimately felt something similar. She continued her business relationship with Spielberg and became producer for 1993 and executive producer for the historical drama also 1993. During this time, Frank a reluctant career soldier with the temperament of an artist was stuck in South Africa during the Boer War.

Almost the first half of the book covers the pair's frustrating four year engagement though Frank was an aristocrat, Kathleen's father was obstinately against the marriage because, not being the heir, he was penniless and had to work. Feel free to ask for what you want. It is a universal truth that we all act in reaction to something else.

You may not believe this right now, but a life of fulfillment and balance IS possible.

Kathleen and Frank: The Autobiography of a Family by Christopher Isherwood

I thoroughly enjoyed the letters between parents when Frank was away at war, first the Boer War and then WWI and some time in Ireland in between.
