## E.M. v. Reed, [2000] O.T.C. 896 (SupCt)

O'Brien was appointed Commissioner with authority to take testimony and report the same with his conclusions. When intensive therapy fails to achieve the expected results immediate investigations must be made to rule out other diseases obscuring the clinical picture.

## Lombardian/Villa Park Review

Resolved, that if the findings of said committee show a violation of said order and resolutions or any of them the Commission 'will take such action as may be necessary to secure their strict enforcement, but the Commission declares that no facts presented to it at this time justify a strike under existing circumstances and that all agitation on the part of either side ought to cease, it being clearly understood, however, that the Commission will not condone any violation of said order or resolutions. This school was a post graduate school for the elite cavalry Guard officers most of whom came from the SOSJ Corps des Pages. He retired from the U.
