The Varanger Saami : habitation and economy AD 1200

This situation lasted until the 18 th and 19

th Centuries when borders demarcating the then kingdoms of Denmark-Norway, Sweden-Finland and subsequently Russia-Finland now the independent countries of Norway, Sweden, Finland and the Russian Federation were extended across the region. The Act, however, neither clarifies these objectives nor provides any structure for the resolution of conflicts which arise where different objectives prove incompatible.

Lapps and Scandinavians: Archaeological finds from northern Sweden. Utmarksbeite for storfē var i tilbakegang, både i Finnmark og elles i landet. Først da han tok med gjenstandene til Thunder Bay og viste dem til andre, ble det fart i sakene.

Knut Odner

This is the topic of the next section. He tells stories of his nephews pigs drinking the water only to die and the turtles going blind in the river.

Economy

Å avgrensa framstillinga til samiske rettsoppfatningar ville gje eit ufullstendig og difor uriktig bilet av fortida. However, people often go astray in their desire for power and control, greed, and hatred and destroy each other and the good in the world. Men som jeg har forsøkt å vise i det foregående, hviler ikke den tradisjonelle oppfatningen av geografien hos Ottar på et særlig solid grunnlag.

A Woodsrunner's Diary: Intercontinental Flows of Desire: Brass Kettles in Lapland and in the Colony of New Sweden

The model was specific but its conclusion appears to be general: there is increasing evidence that the effects of various forms of human intervention not unusually far exceed the effects of climate change on pastoral systems etc.
