. The subjects of this study, which are partly historical, partly archaeological, and partly myth and legend, bring Mark to several surprising conclusions about seafaring in Homer's time Her legend is that of the beautiful but dangerous woman; fired another Troy The firing of Troy by the victorious Greeks may be regarded as Helen's.

## The Ignored Prophet of Doom: The Curse of Cassandra of Troy

Without over-valuing the poetry, this approach makes it possible to discriminate with increased objectivity between the more and less worthwhile and to distinguish the unexpectedly large number of poems in which craftsman-like competence rises to rhetorical artistry of a high order. Tracing the emergence, survival, and transformation of key mythological figures and motifs from ancient Greece through the modern era, it explores the enduring importance of such myths for artists and viewers in their own time and over the millennia that followed.
