## People of the Puszta

These were strung out in a row: room 1 — shared kitchen — room 2 Each family had a room to themselves, that sometimes meant twenty people in the same room: several generations. Perhaps this is why I was reading the rather disturbing stories of the Brontë sisters over and over during those years.

## Spotlight on Hungary: The Noble Horsemen of the Puszta

It is certain that they were able to remain pure; the infamy that welled up beneath them did not reach even the heels of their boots. The spice is made from dried chile peppers that are ground before adding to food.

## Hortobagy And The Hungarian Puszta

From toddlerhood to age 6, when I entered primary school, I lived in a magical land of iron-nosed witches and gingerbread houses. Each horseman is responsible for training eight horses.

## People of the puszta

To be open-hearted and kind, to begin with.

## People of the puszta

How to get there Hortobagy is located around two hours drive from Budapest or for those who wish without cars a two-legged train journey from Budapest with a change at Fuzesabony will arrive you in the town of Hortobagy.

## Gyula Illyés (Author of People of the Puszta)

And not for moral reasons, but for his lapse of discipline. Die Familien, die oft aus einem Dutzend Personen bestanden, lebten in jeweils zwei Räumen, die durch eine Küche mit offener Feuerstelle getrennt waren.

## **Hungarian Horse Show on the Puszta**

They have failed to realize soon enough that they are brothers.

## **People of the Puszta (Hungarian Library Series) by Gyula Illyés**

Lost in a Book Literally or metaphorically — which book would it be for you? Zum Ende hin erzählt Illyés von seinem Ausstieg und Aufstieg, wie es ihm dabei ging und was aus ihm wurde. For example, the riders taught their horses to sit or lie down to provide a smaller target during a battle or protection for the rider.
