In such cases, the Admissions Board will evaluate the skill level based on guidelines shown above. Give us a call or contact us today and we will happily provide a fee consultation.

## Miami Maritime Law

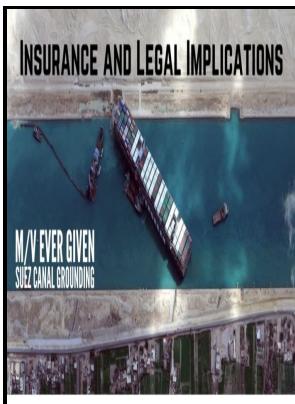

As global trade stretches into more remote corners of the world, the entire maritime industry enjoys new growth opportunities. The University offers you the chance to develop friendships with people from all over the world, and to become, temporarily, a member of Swedish society. To deal with incidents that may result in claims procedures, the module focuses on the value and importance of close interaction between the assured and the insurer.
