## **Our History**

The second half of the museum space is devoted to the village of Hook Norton itself. Introduction The aim of the report is to provide the detail description of the company in relation to their planning for growth.

J508 Planning for Growth: Report of Hook Norton Brewery

Along with this, the growth in GDP will bring the rise in the purchasing power which leads to opportunity for the company. This shows that the major vision of the company is to expand the business.

## Our History

J/508/0601 Understanding of Different Analytical Models

In 1859 the brewery bought its first 'tied house' at Down End.
