They can be a good way of getting to grips with our complex national psyche so, to help you get under our skin, here are some of Belfast's brightest media luvvies. There are also 770 people who have volunteered to become vaccinators, and they are likely to be high up the queue. Meanwhile, the PSNI has reported that 923 penalty Covid-19 notices have been issued across Northern Ireland, with fines starting at £200.

## Sinister threats made against Sunday World journalist

Format Holdings Microfilm 23 Nov 1857 - 1892 Hardcopy 24 July 1882 - 27 Aug. But let us also remember the restraint there has been since 2016, when the talk of any change to the Irish land border leading to violence was indulged throughout. It also contained abusive and sectarian language underneath.

## Police investigating menacing Adams banner at Belfast City Hall

UTV is a commercial channel owned by the UK-wide ITV network. The European Commission backtracked on the decision, but it has caused massive political fallout, particularly in Northern Ireland.

**Press cutting from 'The Irish News' and 'Belfast Morning News'**

Merged with National Library Holdings If microfilm or digital formats are available, the hardcopy is not issued.
