All About the Languedoc Roussillon Region of France

In 2016 the Languedoc-Roussillon région was joined with the région of to form the new administrative entity of.

Traveller's Guide: Languedoc

The Domaine de Aspes 2003 has notes of berries and earthy flavors -- even a touch of tar.

Languedoc regional guide and tourist attractions

Puivert Castle is a landmark of the end of this first military conquest since it is situated at the meeting point of Spain, the Toulouse county, the Foix county, and the Carcassonne vicecounty, on the commercial route Perpignan-Bayonne. Repatriated émigrés from Algeria and immigrants from Spain and Italy have settled in Haute-Garonne, Hérault, Gard, and Tarn.

Property for sale in Languedoc

This Mediterranean climate means the seasons almost roll into one warm and sunny dream.

15 Best Things to Do in Languedoc

Located in the south of France, the Languedoc-Roussillon — officially renamed Occitanie on 1st January 2016 — offers a tremendous amount to British buyers looking to make the move to France. On its second floor, fake stairs were set up that would plunge strangers straight down into a deep well. There's modern art, too, in a museum featuring Picassos and Matisses in Céret 00 33 4 68 87 27 76; ; open 10am-6pm where the Cubists came to paint.

The Midi

History tells us that the area was fought over during medieval times by the Romans and Greeks and indeed they have left their legacy here with so many incredible monuments such as the UNESCO World Heritage Site of the Cité of Carcassonne in the Aude, the Pont du Gard and the many

ancient Cathar castles often perched high on a hill, making us wonder how on earth they were built and have stood the test of so much time. Our helps you choose an area to look in. You can extend the trip along the Canal du Rhône à Sète, which meets the Rhône at Beaucaire.

Languedoc: French Wines With Terroir, Character And Personality

These were built by the local noblemen that offered refuge to followers of the Cathar religious movement, seen as a heresy by the Catholic church, which suppressed it in stages, and then crushed it during the Albigensian Crusade in the 1200s.
