**International trade**

Tironi, Políticas frente al capital extranjero en la integración andina, in: El Trimestre Económico, Vol. The primary mission of the JEI is to present articles that use and develop the core ideas of institutional economics in discussions of current economic problems and policy alternatives. Caribbean economic integration had been curtailed between 1976 and 1978, partly because of import restrictions imposed by Jamaica and Guyana, and partly because of dissatisfaction among the less-developed countries, which claimed that they were not receiving their fair share of trading revenues.

**The Andean Group: Institutional Evolution, Intraregional Trade, and Economic Development on JSTOR**

The Central American Common Market and CARICOM have contributed substantially to manufacturing trade, LAFTA has achieved moderate results, while the Andean Group's impact has been poor.

**Economic Integration Among Unequal Partners**

The Andean Group and the In 1966 Bolivia, Chile, Colombia, Ecuador, Peru, and Venezuela—all members of the Latin American Free Trade Association—agreed to form a regional subgroup. The purpose of this chapter is to describe briefly the progress that has been made toward the solution of the problem of the assignment of industries in integration schemes among less developed countries.

**South**

Lupo, Capital Expenditures by Majority-owned Foreign Affiliates of U. Importers' GNP and exporter government policies are also relevant variables.

**International trade**

The Association of South East Asia and the Association of Southeast Asian Nations The ASEAN originated in 1961 as the Association of South

East Asia ASA , which had been founded by the Philippines, Thailand, and the Federation of Malaya now part of Malaysia. This paper examines the framework in which the Andean Common Market was created, the provisions of its charter, and the Group's initial achievements. Studies in Development and Planning, vol 11.
