Communicating with Culturally Diverse Parents of Exceptional Children. ERIC Digest #E497.

These handouts will be a perfect supplement to your Open House. Technical Corrections — Policies Governing Services for Children with Disabilities Considerations for Specially Designed Instruction The design and delivery of specially designed instruction is the core of special education.

Exceptional Children

Although making such adjustments may be difficult for parents, they can be helped to see that fostering independence is in the long-term best interests of the child. Understanding the concerns and perspectives of these parents is essential to working with them effectively as partners in their children's education. Moon 2002b pointed out that parents of twice-exceptional children need to learn about their children's disabilities and about giftedness.

Conferencing parents of exceptional children (Book, 1990) [mikhmon.us.to]

As a parent and a counselor-in-training, it was am extremely informing read. More than 6 million students with disabilities are enrolled in public schools National Education Association, n.
