notion.

IDEA (noun) definition and synonyms

Roger Bacon stood before the same dead wall. The words and idea can be used in similar contexts, but thought is likely to suggest the result of reflecting, reasoning, or meditating rather than of imagining.

Hume, David: Causation

His thesis was that the history of Christianity offered subjects far more inspiring to a poet than those which had been treated by Homer and Sophocles, and that Christian poetry must bear off the palm from pagan.

Journal of the History of Ideas

His other title to fame is well-known.

Marketplace of Ideas

Want to see everything we have to offer?
The postulate of the immutability of the laws of nature, which has been the indispensable basis for the advance of modern science, is fundamental with Descartes. The general proposal is that we can and do have two different levels of clarity when contemplating a particular
