Gord's Café

Let them die, so Spain we lose not, the beautiful and bright, Or ever bitter evil be forced to undergo. This is like no other historical non-fiction book I've read. O'Hara's most persistent interest, however, was the image, in all its suddenness, juxtaposed with an equally unlikely image, following techniques not of Imagism but those perfected by the French Surrealists.

#281 Baudelaire, Rimbaud and Jamie

I will not look upon the gold of nightfall, Nor the sails from afar that descend on Harfleur, And when I arrive, I will place on your grave A bouquet of green holly and heather in bloom.

A une courtisane : poème inédit de Charles Baudelaire

That briefly utopian Republic was within three years co-opted by Louis-Napoléon Bonaparte and transformed into the stagnant reign of the Second Empire, under which Baudelaire would live for the rest of his life. He must have felt the beauty and power of unconscious phenomena in surrealist poems, but what he does is to use this power and beauty to enoble, complicate, and simplify waking actions.

Alan Bowness

Since 2008 has been run by his daughter, art historian Sophie Bowness. I have seen the same characteristic repeated in my own experience when

adults organize their social lives around a large group, most prominently at the late, great University Club of Denver.
