**Sara Carbonero operada de urgência após sofrer recaída**

To me, it feels like a bit of a trick, because I think the reader could never guess for sure who was the culprit.

**POSTOS DE IDENTIFICAÇÃO ESTÃO ATENDENDO OS CASOS DE URGÊNCIA COMPROVADA**

Even the main protagonist, Dr.

**O que fazer em caso de..., Urgências só urgentes!**

I've always liked Michael Crichton's novels, and I had missed this one.

**POSTOS DE IDENTIFICAÇÃO ESTÃO ATENDENDO OS CASOS DE URGÊNCIA COMPROVADA**

This fictional story is also important on another front: there is data about the days before abortion was legal. O primeiro recurso para uma pessoa que julgue estar doente deverá ser o seu médico de família, no centro de saúde, ou o seu médico assistente. The pathologist is an upright doctor who fights for justice to his friend, Lee, who denies having performed that particular abortion.
