London. Edited by Charles Knight : Knight, Charles, 1791

The associated area is roughly bounded by the the to the south, Surrey Street to the west, and to the north and Carmelite Street and Whitefriars Street to the east.

Charles Knight (Knight, Charles, 1791)

Since the times of the Crusades the Order of the Knights of Malta OSJ became composed no longer solely of Hospitallers, but of Cavaliers in arms in the defense of pilgrims and was organized as a state with its own Ministers and Councilors.

Le Neve's pedigrees of the knights made by King Charles II., King James II., King William III. and Queen Mary, King William alone, and Queen Anne : Le Neve, Peter, 1661

Under English custom the rank of knight banneret could only be conferred by the sovereign on the field of battle. There are also a limited number of rooms reserved for new barristers undertaking the.
