## GREEK GOLD : JEWELRY FROM THE AGE OF ALEXANDER • Hoffmann

Each jewel uncovers an epic highlight from 5000 years of self-decoration and is curated with passion since 1928 by the Vaphiadis family, a virtuoso signature in the field for 5 generations. His father, Phillip II, made a deal with Aristotle, offering to rebuild one of his houses in return for tutoring.

### Men's Jewellery

In India, Alexander spent 95 pounds of silver on a dog, which pretty much speaks for itself.

### History of gold

Our range offers a wide selection of Byzantine Crosses, Baptism Crosses and jewelry of the Greek Orthodox faith which tell their own story of heritage and traditional craftsmanship in typical Byzantium Rhythm. There was a catch though: the horse was wild and impossible to tame, although many had tried.

### Greece (and Rome!) is the Word: The History of Jewelry

Gold was money in ancient Greece.
