9780062700315: The HarperCollins dictionary of American government and politics

Clauson define and describe Supreme Court cases, laws, political slang, federal agencies, personalities, and terms from such related fields as sociology, history, and economics. This fascinating account of a Yale-trained psychiatrist's twenty-year experience with Native American healing interweaves autobiography with stories of the Native Americans who challenged his medical school assumptions about their methods. The Republican Party candidate, President George Bush running for reelection was opposed to abortion while the Democratic Party candidate, Governor Bill Clinton of Arkansas, believed abortion was a choice that each woman had to make for herself.
