## Buying and selling a property

Rightmove top London — courtesy of Is this the Time to Buy a UK Property for Let? It also rates the house's environmental impact in terms of carbon dioxide emissions. Want to know what is happening in the property market? While the 2008 financial crash was completely different, having more of a slow-burning impact on the market rather than the instantaneous effect of Covid-19, ESPC spots some similar trends emerging.

Equally, however it does not restrict the seller who remains free to sell the property as he or she sees fit.

Your solicitor will make sure that there is nothing to prevent the transaction proceeding and then make the arrangements so that all the funds are collected and paid accordingly. Your solicitor can help with both these matters. Based on the example of the English announcement, I would expect that we will see a further increase in buyer enquiries in anticipation of buyers once again being able to view properties.
