Some of them are the following: Únkle between Diásparto and Kídaris , Gelín Mezárd Ydrohóri , Éranos, Kéntavros, Kimméria, Kopteró, Livádi, Lívás, Delí Musá near Áskyra , Pórta-Príoni, Rími, Sátres towards Témenos village , Símantra Boz Oglán. As will be seen, they are still very much alive today and they are often remarkably active. The time and place of those festivals are analyzed along with the way they are organized, the animal slaughter ritual and the participation of the Pomaks according to their sex and age.
