### MI Sister City Association to present 'Impressionist Women Painters' lecture

The tournure was also introduced, and along with the polonaise, it created an illusion of an exaggerated rear end. Cassatt supported herself as a successful portrait artist and printmaker, having declared herself unfit for marriage or motherhood. A divide between the lives of men and women still existed, with women domesticated in the private sphere whilst men were free to roam and observe society in public life.

### MI Sister City Association to present 'Impressionist Women Painters' lecture

Barred from this prestigious institution, and largely unable to participate in the Salon system, women pursued alternative venues by attending private academies, exhibiting independently, and forming their own organizations, such as the Union des Femmes Peintres et Sculpteurs in 1881.

### Impressionist fashion of women 1870s

Class These very different gazes demonstrate the relative positions of men and women in the Third Republic: men were free and enjoyed unchallenged positions of social and political control and women of a certain class were expected to protect their virtue and contribute to society by getting married, staying home, and having children. Are Cassatt and Morisot flâneuses simply because they paint women from a nineteenth century female point of view? Neatly dressed, alert, and ready to serve, the maid is shown within the limitations of her domestic domain.

### Female French Impressionist Painters « Francoise Cariou

Quite often in their paintings the women portrayed will stare out at you with a level look.

### 4 Women Impressionist Artists: Confronting Barriers in the Avant

Berthe Marie Pauline Morisot exhibited for the first time in the highly esteemed Salon de Paris in 1864. At the age of 16, Morisot began taking painting and drawing lessons. This painting depicts Julie Manet, at thirteen years old.

### MI Sister City Association to present 'Impressionist Women Painters' lecture

As they shaped their unique careers and artistic styles, Morisot, Cassatt, Gonzalès, and Bracquemond negotiated not only personal challenges but also those posed by the conventional ideas of acceptable behavior for women of their time.
