Joseph Henry, the first secretary of the Smithsonian, placed the portraits in the Art Gallery on the second floor of the Smithsonian Building. Navajo Sandpainting Sandpaintings were originally sacred art, but today some Navajo artists use them as more secular cultural expressions.

Gordon Punt

Photographed by Eadweard Muybridge, 1873. When I first started our Facebook page, I initially focused my research on the history of the Southwest as it pertained to the story of Solomon Bibo.

George Catlin

National Archives Identifier: Weaving 186. Because women's activities were considered central to the welfare of the community in the Native American history, this gave them a certain level of social, political and economic power, and even today approximately 25% of Native American tribes recognized by the federal government of the United States are led by women.
