National Fascist Party

Introduction The rise of Benito Mussolini in the early twentieth century marked the beginning of a fascist system of government, the first of its kind in modern world history. The other major foreign contributor to the Spanish Civil War was Germany. Fred is a bit younger than Elsa and has always been a good man who did everything he was supposed to do.

Propaganda in Fascist Italy

The Fascist regime endorsed Albanian irredentism, directed against the predominantly Albanian-populated and — particularly in inhabited by a substantial number of Albanians. The major source of friction between National Socialist Germany and Fascist Italy was Italy's stance on Jews.

Italy Still Won't Confront Its Colonial Past

Upon ratification of the Lateran Treaty, the papacy recognized the state of Italy in exchange for diplomatic recognition of the Vatican City, territorial compensations, introduction of religious education into all state funded schools in Italy and 50 million that were shifted from Italian bank shares into a Swiss company Profima SA. In the era of the women acquired an important role also on an economic-productive level. Similar dynamics presented themselves as fascism spread across pre-war Europe.

History of women in the Italian Resistance

He created an eight-hour work day and a forty-eight-hour work week in industry; sought to entrench a corporatist economy; and pursued irredentist claims on Hungary's neighbors.
