But the more she thought about her fall, the more convinced she became that one of her relatives was trying to kill her.

On Location with Poirot

Poirot concludes Miss Arundell had fallen over a tripwire that had been tied to the nail. And to top it all, Miss Lawson provides a piece of information that proves that the fall from stairs was not an accident after all.

Witnesses under the Indian Evidence Act

The letter was from one Miss Emily Arundell and though a rambling and confusing letter, Poirot was convinced the writer was concerned for her health.

But it lacked a well-made justification, thus the three stars is all this book gets.

Kinds of Witnesses: Child Witness, Dumb Witness And Hostile Witness

Poirot and Hastings are invited to watch Charles Arundell, a friend of Hastings', to watch as he attempts to break a water speed record on a lake. I had this odd feeling that Hastings' lack of tolerance toward Tanios not only originated from the latter's brusque personality, but also the fact that he came from Eastern Europe, which is regarded as the continent's backwater. On the whole, I prefer the filmed version.

Dumb Witness (Hercule Poirot, #16) by Agatha Christie

There may be one witness and that is Bob the terrier who loves to play with a ball on the staircase but Bob isn't talking so it is up to Poirot and his gray cells. Dumb Witness was based on a short story entitled The Incident of the Dog's Ball.
