## Lisa Feldman Barrett

In the earliest records, traditions and legends may be found reference to the general belief that it was possible for an individual to exert some weird uncanny power over the minds of other persons, which would influence the latter for good or evil.

## Defense Against the Dark Arts (DADA)

There are planes beyond our knowing, but when we apply the Principle of Correspondence to them we are able to understand much that would otherwise be unknowable to us. This is the million-dollar question everybody wants an answer for. Isn't it better when other people recognize you and pay attention, not because of any negative qualities about you, but because of your natural magnetic personal charm? Memory Championship approached, I began to suspect that I might actually have a chance of doing pretty well in it.

## Lisa Feldman Barrett

I could see all the images perched exactly where I left them, except for one. Just How To Wake The Solar Plexus shows you the secret in a nutshell.
