Picture by Myrbach If the Frenchmen excel them Germans in vivacity of onslaught, if the Englishmen are their

superiors in toughness of resistance, the Germans excel all other European nations in that general fitness for military duty which makes them good soldiers under all circumstances. While researching my own book on the battle of Imjin River Korea, April, 1951 veterans interviewed recalled their worst experience as being, not the combat, but the battlefield clearance. It seems as though death had here fixed his throne.

## The Memoirs of Baron Von Muffling

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. He made a major contribution to the development of the Prussian General Staff - the first to exist in the modern sense - and was also fascinated by military topography and cartography.

## The Memoirs of Baron Von Muffling

THERE MIGHT BE DELAY THAN THE ESTIMATED DELIVERY DATE DUE TO COVID-19.

## Passages From My Life; Together With Memoirs Of The Campaign of 1813 And 1814 on Apple Books

This work was reproduced from the original artifact, and remains as true to the original work as possible. Peter Hofschröer's introduction to this edition gives comprehensive biographical details for Müffling and examines the accuracy of certain parts of the memoirs.

## Passages From My Life; Together With Memoirs Of The Campaign of 1813 And 1814 on Apple Books

by CHARLES RIVER EDITORS

Filesize: 6.12 MB

Garde zu Pferde - Oberst-ltn. Foreign generals and observers admired the Prussian military machine of 18th Century. Muffling's memoirs provide an exceptional firsthand account of the Napoleonic Wars by one of Prussia's finest general staff officers.

### **Memoirs of Baron von Müffling**

People seldom realize that these wars did not produce cemeteries or even great memorials, which came later.

#### **How were Napoleonic battlefields cleaned up?**

If the original book was published in multiple volumes then this reprint is of only one volume, not the whole set.

#### **17363462**

My hat and my hair were full of bloodstained snow, and as I rolled my haggard eyes I must have been horrible to see. All this was the more conspicuous upon a ground covered with snow. Each page is checked manually before printing.
